## **Quality Assurance Process**

Students should understand and apply the Quality Assurance Process in their study. The Plan-Do-Check-Act Cycle (PDCA) provides an easy but effective approach for problem solving and managing change, ensuring that ideas are appropriately tested before the full implementation. It can be used in all sorts of situations and can be clarified as follows:

**Plan:** Define the current problem, process, and issue and establish objectives and processes required to deliver the desired results.

**Do:** Implement the plans and new processes developed.

**Check:** Monitor and evaluate the implemented process by testing the results against the predetermined objectives.

**Act:** Apply actions necessary for improvement if the results require changes.

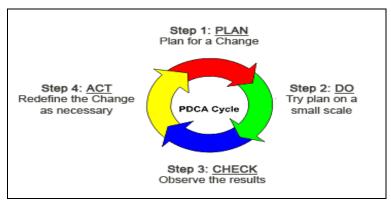

Figure 1: PDCA Cycle (http://www.swopehealth.org)

#### **Plagiarism**

Plagiarism is a serious academic offence, a serious breach of ethical conduct and is unacceptable student behavior. Students who plagiarize copying words or ideas without acknowledging the original writer of the words or ideas, will face disciplinary action. This will range from receiving an "F" in the subject to university suspension.

# THEODORE MARIA SCHOOL OF ARTS Advising and Counseling 1/2025

All Arts students (Business English, Business French, Business Chinese, Business Japanese, and English - Chinese for Digital Communication) must meet with their advisors before they pre-register for the 2/2025 semester. Students who fail to come for their advising and counseling session will not be allowed to register for 2/2025 during the pre-registration period.

Names of advisors for semester 1/2025 will be posted on the faculty website (www.arts.au.edu), at CL 11 and on the Department Boards at SM Bldg. Arts students are required to check their advisors' names every semester and meet with them before the pre-registration.
